

FILM PREMIERE

# *Stories from the Green Line*

By Ellen Knechel

*In March 2008, a group of local mediators traveled to Israel and the West Bank to hear from the people involved in one of the most intractable conflicts in the world. They listened to religious Jews, secular Jews, Muslims and Christians speak about the Arab-Israeli conflict: how it impacts their lives, their hopes, dreams and prayers for peace. Forty hours of footage has been edited to 50 of the most powerful minutes of the journey. The trip was co-sponsored by the Greater Delaware Valley Chapter of the Association for Conflict Resolution, Good Shepherd Mediation Program, and Just Listening in Philadelphia.*
